## GIRL CONFESSES POISONED THREE AND TWO DIE

Lincoln Center, Kas., May 12.—Miss Stella Hyman, 29 years old, confessed she had killed her brother and her sister. Mr. and Mrs. Ed Bunch and had administered poison to their daughter, Nancy Bunch, last August, according to the county attorney.

In her statement, the county attorney said, Miss Hyman said she placed fly poison in coffee and other food that the Bunches drank and ate. Her motive for the crime, she is declared to have said, was that she was the mother of a child of which Lee Bunch, son of the couple she killed, was the father and that the parents would not let him marry her.

She also said her sister and brother in law abused her.

Miss Hyman said she poisoned Mrs. Bunch first. After his return from the funeral Mr. Bunch continued to abuse her and threatened her with a revolver, she said.

"I thought I might as well kill him as to have him kill me," her statement said.

## Voice of the People

Editor Gazette:  
I would like to add a minor correction to your report of my Sunday remarks on the dance as a form of amusement. You inadvertently placed your theme to my homily and then left my homily out.

A heading as striking as "Melrose comes out in favor of the dance" would indicate that you intended to give my position on this subject, and I therefore assume that the omission was a slip. I take some responsibility for this omission, however, for I do not doubt that they could more readily be doctored up into newspaper "hot stuff."

I have it from a reliable source that newspaper work (certain county board members to the contrary notwithstanding) especially trains those who do it to present truth authentically and interestingly. You have presented this subject very interestingly.

Rules for guidance are for young people and not young people for rules. I therefore hesitated to dogmatize on the social problem of the dance; any explicit case must be dealt with on its merits and by the best judgment of those who are close to the situation. The emphasis of my position may be gleaned from the three principles which I suggested as possible guides in seeking a general christened attitude toward amusements. (1) Christians should give their influence to constructive forms of amusements.

(2) Christians should look with general disfavor on questionable forms and favor those that are not questionable. (3) They should, regardless of private opinion, give their influence freely to only those forms of amusement which violate the conscience of no group of earnest people.

I do not profess to know whether society will in time abolish the dance or save it. Either one or the other is distressingly needed, therefore, was in favor of constructive influences against the dance, and more care, inspection, and control of it. It seems to me that whether we condemn the dance outright or take a less radical attitude toward it, the need is all on the side of our thoughtfulness and conscience on the part of parents with reference to this subject. Yours truly,

J. A. MELROSE.

Editor Gazette:  
I see a line in the Voice of the People about a city playground for the children. Now, Mr. Taxpayer, say your mind. When you talk about moving the playgrounds for the children out of the city, that would be a lot of expense for the city as we have the grounds where the people can enjoy watching the children at play. Your intentions were probably good, but I believe it would be better for the city to make a place upon Goose Island or at some sanitarium for people that are nervous wrecks. I am glad it is the city's duty to make it agreeable for our children as well as the grown-ups. G. STANLEY.

## SAVE WHAT YOU CAN—CAN WHAT YOU SAVE

Certainly an automobile represents sufficient investment to warrant protection against fire. Likewise the increased danger of fire that the automobile introduces warrants housing such a vehicle in a structure that will confine fire to that structure only and thus prevent damage to nearby buildings.

## PROFIT ON SUGAR

Boston, May 12.—Attorney General Palmer today set the margin of profit to be allowed on sugar sales at one cent a pound for wholesalers and two cents a pound at retail.

## D. A. R. CELEBRATE 25TH ANNIVERSARY; REELECT OFFICERS

Sixty Daughters of the Revolution celebrating the fifth anniversary with a luncheon yesterday afternoon at the home of Mrs. A. C. Hough, 106 St. Lawrence avenue, re-elected the officers of the chapter generally and dwelt particularly upon the work of Americanization which has been done in the past year by the order.

Mrs. A. P. Lovejoy Sr., chapter regent of the chapter, gave an inspiring address on the early work of the society, reminiscing on various happenings and entertainments one of which was an exhibit of relics displayed in the armory. In conclusion she offered a toast to the chapter which was responded to by Mrs. George S. Parker, present regent.

Luncheon was served at 1 o'clock in the dining room, and at small tables in the sun parlor, the regents seated at the head of the table. Blackman and Miss Metella Calkins had charge of the luncheon assisted in serving by the younger women of the chapter.

Following the luncheon a business meeting was held in the ball room, the same officers who last year acted being again elected. Mrs. S. M. Smith, vice regent; Mrs. F. C. Burpee, recording secretary; Mrs. I. F. Wortendyke, corresponding secretary; Mrs. C. S. Jackson, treasurer; Miss Metella Calkins, historian. A letter of greeting from Mrs. A. C. Hough was read. A flower committee to send flowers to the sick was named with Mesdames Hough and Lovejoy as members. Miss Metella Calkins reading the history of the order for the year gave a witty resume of the happenings.

That 24 new members were added in the past year was brought out by the report of Mrs. C. S. Jackson, registrar, which makes the membership 131. In so much as the membership has increased to such an extent it was voted to hold meetings next season at the Parish house.

The American creed is to be posted in the school house of the city. The D. A. R. The sum of \$15 was voted to care for the history prizes offered on historical subjects. This year's program included the sending of \$25 to the Saluda school, a needy mountain school.

In Mrs. Parker's report mention was made of marking the graves of the St. John family, early settlers in this city and also the date which is being gathered for the tablet to be placed on the site of the old Janesville tavern.

Mrs. William Wheeler's report of the twenty-ninth congress of the D. A. R. at Washington was read. Mrs. Wheeler is a former resident now living in Washington who presented the local chapter at the national meeting.

## FAMILY FEUD IN MUNICIPAL COURT

Traces of a family feud of several months' duration are seen in an assault and battery action commenced in municipal court today against Edward Joyce, and his wife, Millie. Upon their plea of not guilty their hearing was set for May 26, the being released in custody of the arresting officer.

Complaining witnesses who brought about the arrest of the couple were Mr. and Mrs. Ira Bryant, Fremont street, who allege they have suffered brutal treatment at the hand of their neighbors, the Joyce family.

"They nearly killed my wife," said Mr. Bryant this afternoon. "She was hit over the head and on the arm with an iron, while Joyce struck me and gave me a bloody nose. They have been throwing stones out of their windows at us and causing a lot of trouble out here."

Will the party that picked up side boards of Ford truck notify us and we will come and get them. Picked up in front of Baker's Drug Store. Hanley Bros.

# MC COY STARS HERE SATURDAY, SUNDAY

Milwaukee Aggregation Will Tackle Samsons Over Week-End—Fast Bunch of Big Timers.

Composed of an exceptional group of former big leaguers, the McCoy All-Stars will clash with the Samson Tractors here Saturday and Sunday in two games that promise to give the fans a ball that they might ask for. Coming directly after the success of the first three home games of the season, those of such type as to place the Samsones high among the first ratters in semi-pro ball in the middle west, the next contest should awake a keener interest than ever.

Drew 5,000 at Milwaukee. The McCoy players are of such quality that they drew 5,000 people to Milwaukee last Sunday in a game in which they defeated the Union Giants of Chicago. In that game, McCoy first baseman, Ed Brava, pitched a snappy game, holding the hard hitting Giants to five scattered hits. Jesse Runge, McCoy first baseman, and Groeling, shortstop, are in the same class.

Manager John R. McCoy of the All-Stars is owner of the classic organizations of its kind. McCoy is one of those sporting men of blue blood who must have the best in everything in the athletic line. For that reason, and that alone, he got his Milwaukee bunch together.

Manager George Ewing of the Tractors continued to nurse his injured leg. It remains very painful, but should be all right for Saturday.

Dumont and Walsh are expected to perform on the hill this week-end.

Comments around town are that Samson has a team that will get every support of the fans here.

The showing made last week-end is far better than the enthusiasts expected so early in the season.

Milwaukee, Chicago, and Beloit are watching Samson with interest and not a little bit of nervousness. That's what we are looking for.

## STEVENS POINT HAS STRONG TRACK TEAM

Stevens Point, Wis., May 12.—The State Normal track and field team of this city looks up as a leading contender for the Wisconsin Normal school championship this spring as a result of the strength shown in the meet at Appleton last Saturday afternoon, when the Stevens Point team won from Lawrence college, 74 to 57. The college men put up strong competition and only the superior athletic ability of the Stevens Point normal has the greatest combination of track and field timber in

## All Boys' Ball Games! Wanted, Stories of

Next Saturday and Sunday, and quite often during the week, baseball games are played on the lots and diamonds of Janesville between the young boys, 10, 11, 12, and all the way up the line. The Gazette sports editor is interested in every one of them, but most of them are scheduled so quickly that it is often impossible to keep track of them without co-operation.

If the managers or captains of these teams will take the pains to write up brief stories of the games, giving the scores, who won, and the line-ups, you chaps know the dose—and bring the account into the Gazette office the next morning or not later than 9 o'clock the next morning, it will be printed.

Come across and help boost sports in Janesville.

## CHICAGO GUN MEN GET BIG VICTIM

Colosimo, Head of City's Vice Ring, Slain by Mysterious Assassin.

[BY ASSOCIATED PRESS.] Chicago, May 12.—The shooting of James Colosimo, proprietor of a famous restaurant in the former tenderloin district and known as Chicago's Vice King, late yesterday afternoon, remained as much of a mystery as ever early today. His wife, Mrs. Dale Winter Colosimo, who had been singing in his restaurant a long time, resided at a hotel, and a friend of his former wife had any connection with the murder.

Received Blackhand Letters. Questioned at police headquarters she said that within the past few months Colosimo had received "blackhand letters demanding money. She declared that when Colosimo obtained a divorce several months ago, he had parted on friendly terms with the former Mrs. Colosimo and her brothers. Act of Revenge.

Another police theory connected the murder with the shooting recently of "Boss" Enright, labor leader and gunman, as friends of Colosimo now are under arrest charged with that crime. Revenge of some sort, in the opinion of police officials, was the motive actuating the person who shot Colosimo down from behind almost in the doorway of his restaurant. None of his usual body guard was near when the shooting occurred and the murderer escaped through the restaurant and out a back door as the front door was
